I'd suggest to wait and see if HQ can track it down. I'll let everyone know what I hear next week.

Thanks,
Rob

I got a copy of the letter via Caryn as a FBC Board member. I assume the letter was sent as addressed since Caryn sent it out to the board. Do you want to or have me outreach to Caryn to confirm?

Hi Julie –

I didn't see this letter in the comments section of the CFAC NPL docket. Do you know if the FBC decided to hold off on sending this letter?

I have a email out to HQ right now as well to see if it's still in process there, but we've had more recent comments make it to the docket.

Thanks,
Rob
